

North Auditorium MET - 124

Auditorium Style Seating - Seats 250

Equipment

MET 124 – The North Auditorium is equipped with a podium that contains a document camera, Mac computer, PC computer, DVD/VHS combo, iPod doc, connection for laptop, wireless lapel and handheld microphones, and podium microphone. It is equipped with dual data projectors and dual LCD monitors. There are 125 microphone base stations for audience feedback. Assistive Listening Devices are available upon request. The audio from the room can be recorded as an MP4 file using equipment located at the front of the room. Crestron controlled room for switching AV and lighting. Contact CETS for additional equipment requests or support ext. 2481.

Distributed Learning/ Videoconferencing

The Auditorium is equipped with Tandberg video conferencing equipment with 3 mounted classroom cameras. CETS will be responsible for the internal distributed learning with the use of the Tandberg equipment to connect to locations within the MET Building. Those locations are the MET PTR, MET North, & MET South classroom. Video Conferencing Services will handle all out going video conferences out of the MET building. They will handle scheduling and logistics. Please call Video Conferencing Services at ext. 2472 or ext. 0577.

Network

The Auditorium is equipped with Ethernet and power hubs for all 250 seats. Wireless access is available. Network connection provides only basic internet access. ITS must be contacted for wireless internet access for non UNTHSC users.
