

# BE | WELL WEEK DONATION DRIVE

Throughout the week, Be|Well will host a donation drive for individuals seeking shelter at True Worth Place. More than a day shelter, True Worth Place takes a 360-degree approach to ending homelessness by providing guests with consolidated access to various services. Donation sites will be set up around campus, and a donation list will be featured in the Daily News. Don't hesitate to contact [BeWell@unthsc.edu](mailto:BeWell@unthsc.edu) if you have any questions.
