# PA Lauren Dobbs

## PA Studies

*“She has always acted as an advocate to us students, willing for us to speak up when offered contracts and discuss salary expectations. I am grateful for the passion PA Dobbs has for her career as a PA, as it has encouraged us to seek great heights in our career with her positive example.”*

*“PA Dobbs is always ready to chat, about serious or non-serious things. She cares deeply about her students' success and always has a smile on her face! She is encouraging, yet honest, and drives her students to succeed.”*

# Dr. Stacey Griner

## School of Public Health

*"Dr. Griner constantly uplifts us - our spirits and our hopes for the future...Dr. Griner has given me affirmation that I am a person capable of becoming a researcher, a professional with the capacity to help others. I have never met a more personable and caring faculty member."*

*"She is the best adviser!!! She is constantly asking her students about their career goals, reading our cover letters and resumes, and encouraging us to do RAD. This past week I was nervous about whether I should apply for a job and she encouraged me to apply, and read over my cover letter. She is a bubbly energetic person that the school of public health is lucky to have; she is a real gem!"*

# HSC Career Champions

2020-2021

Dr. Stephan Davis  
Dr. Arthur Mora

School of Public Health  
Department of Health  
Behavior and Health Systems

*“Both Dr. Davis and Dr. Mora have provided valuable guidance based on their own journeys, invited amazing guest speakers to speak with us, and supported students to build their networks, as well as provided letters of recommendation among other things. From providing mock interviews and encouraging use of Career Center resources, their influence has made all of the difference for the success of the MHA program and our individual endeavors.”*

*“Their presence as leaders has contributed to my devotion to my studies, involvement with the program, and desire to encourage others to do the same. Had Dr. Davis and Dr. Mora not been involved with the MHA program, I honestly believe that my experience would not have been nearly as wonderful.”*

# College of Pharmacy Experiential Education Team

Dr. Jennifer Fix

Dr. Emanuel George

Dr. Meredith Howard

Dr. Lisa Killam-Worrall

*"I'm very grateful to (these) faculty members. To this day, they continue to be very involved and engaged in my career path choices. They have also shared a wealth of personal experiences and industry connections with me. Lastly, the faculty are very motivational to students."*

*"Events have included residency panels and job panels. An annual Career Expo with HSC and Texas Tech includes effort by the Career Center team which has been instrumental in its success. CV/Resume review and mock interview opportunities were also provided with members of the Career Center, sharing their expertise with our students...As a result of their education and career planning guidance provided by members of the experiential team and Career Services tools, graduates are successful in entering the pharmacy job market or matching for post-graduate opportunities including residency or fellowship programs."*
