

DFW VIET-AMERICAN HEALTH PILOT STUDY

We are conducting this research to understand the healthcare needs and study the health of Vietnamese-Americans.

Description of study

We invite you to participate in our study to learn about the health of the Vietnamese communities. If you are eligible and consent to being in the study, you will be asked to complete a survey regarding your health. The questionnaire will take about 30 minutes - 1 hour to complete.

Compensation

You will receive a gift card in exchange for your time and participation.

Who is needed?

- Vietnamese adults who are 45 years or older
- Must be able to speak Vietnamese or English
- Must be living in the Dallas-Arlington-Fort Worth area or surrounding suburbs
