

UNTHSC School of Public Health Master of Health Administration

The Master of Health Administration program is designed to prepare students for effective organizational management based on competencies and evidence based practices needed to become exceptional managers and leaders. The program is also committed to the improvement of health services through health services research and community engagement within complex health-related organizations. The 60 semester credit hour program is designed for aspiring and committed professionals who are interested in careers in health services administration in such settings as hospitals; managed care organizations; medical group practices; ambulatory, long-term care, insurance and pharmaceutical companies; consulting firms; government agencies; for-profit and nonprofit sector organizations. Through an internship, student portfolio and a final integrative experience, students are asked to incorporate, synthesize, and apply their knowledge within both an operational and a community context. The result is an organizational perspective that encourages students to integrate knowledge from a range of management disciplines while emphasizing accountability for effective performance. By the conclusion of the MHA program, students will be able to demonstrate knowledge and skills in:

- Accountability
- Achievement Orientation
- Communication Skills
- Financial Skills
- Impact & Influence
- Information Technology Management
- Performance Measurement
- Process Management & Organizational Design
- Project Management
- Human Resource Management
- Change Leadership
- Strategic Orientation
- Organizational Awareness
- Analytical thinking
- Information Seeking
- Initiative
- Professionalism
- Self Confidence

Students in the M.H.A. program are admitted in Fall Semesters as a cohort. Full-time enrollment is required and students are expected to graduate in five to six consecutive semesters. Students follow a weekly calendar of curricular and co-curricular activity that occupies 3-6 hours blocks of time, Monday through Friday. Students are prohibited from holding employment when courses are in session.

Coursework A
