

Bachelor of Science in Biomedical Sciences  
School of Biomedical Sciences

---

**Academic Integrity Agreement**

The School of Biomedical Sciences (SBS) supports an environment that promotes professional and ethical behavior that achieves academic growth and individual self-discipline. Each student within the School, upon matriculation, shall agree to conduct themselves in the manner outlined below. Students shall complete and sign an Academic Integrity Agreement prior to or upon enrollment in their first course. Agreements remain on file in the SBS Office of Student Academic Services.

As a student enrolled in the SBS, I understand that it is my responsibility to:

- familiar myself with all policies related to academic ethics and professional integrity within the SBS and the UNTHSC;
- adhere to the Student Code of Conduct and Discipline and other policies related to ethical behavior;
- conduct myself in a professional and ethical manner during all academic pursuits within the SBS at UNTHSC; and
- report observed and suspected violations of academic integrity to the Assistant Dean of Undergraduate Education.

[Office of Care and Civility - Student Code of Conduct](#)

Signing this form denotes acceptance of the rules, regulations, and guidelines governing student behavior at the UNTHSC.
