Application Status

 **Application Status**
Check the status of your admissions application.

 **Student Center**
Use this link to access the Student Center. There you can check your admissions status, update your personal information, view and accept financial aid, register for classes, make payments, and much more.

Note: the system may ask you to complete an ethnicity survey within a separate pop-up window. Complete the survey, save, and close the window.

Click on the Demographic Data link within the Personal Information Section
