

1

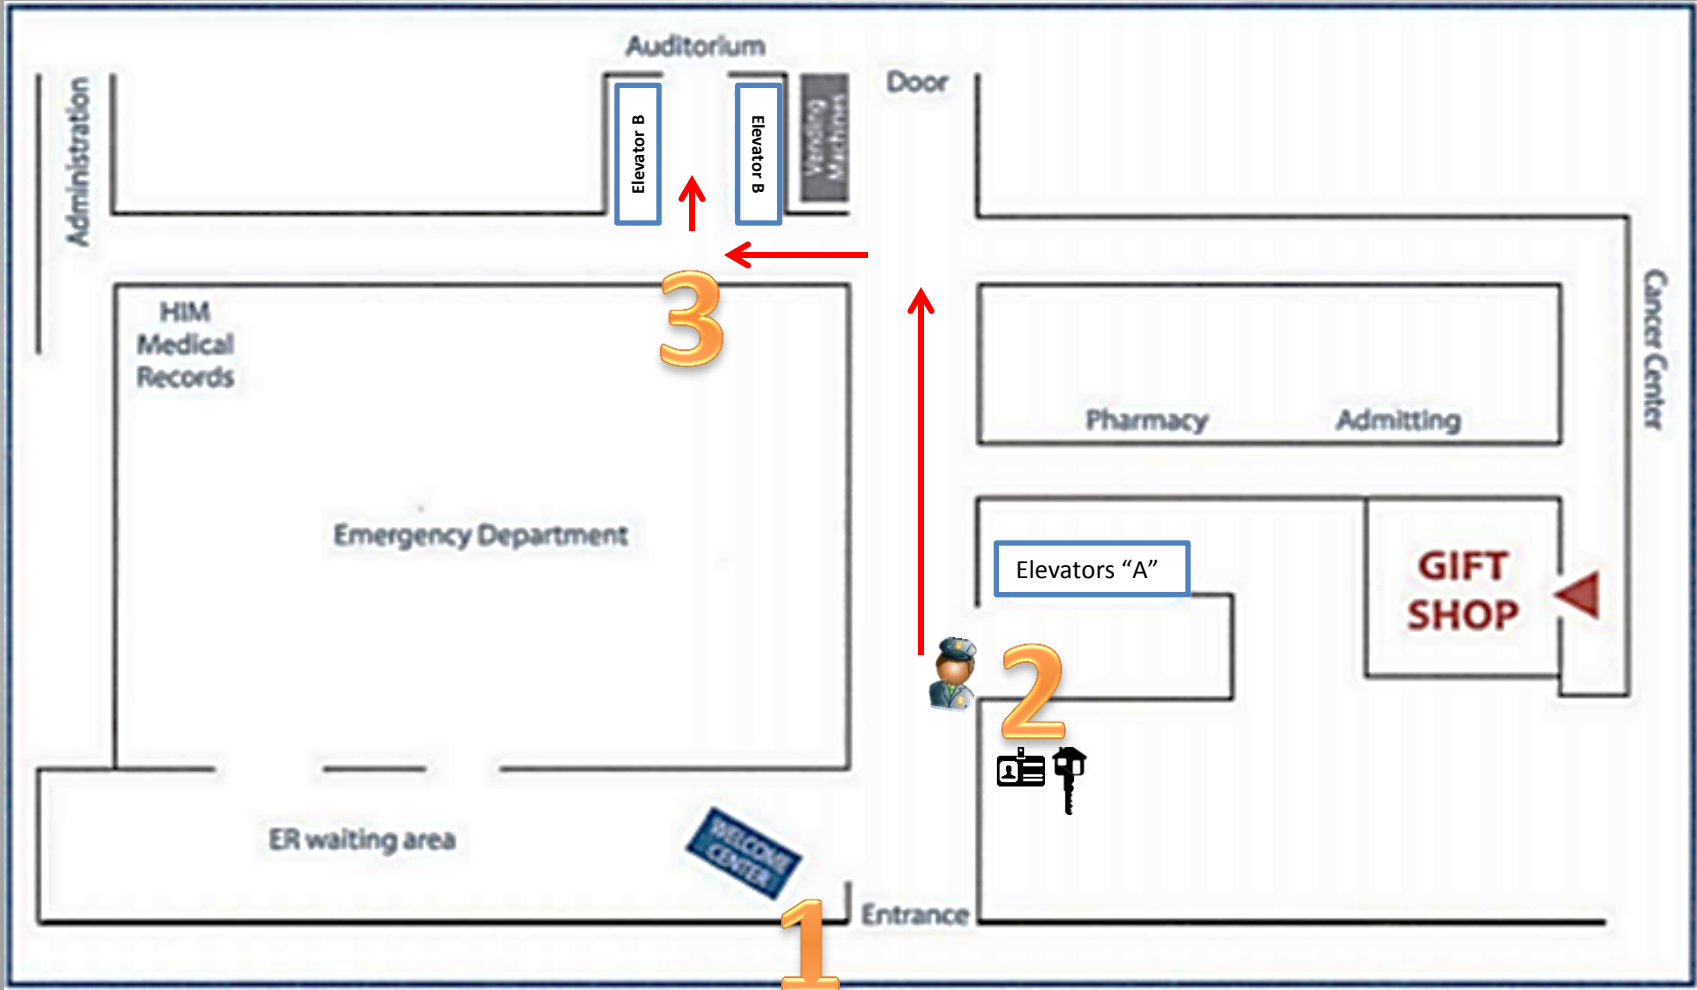

Enter through the Emergency Department and find the Security Guard in the Lobby

2

Identify yourself to the Security Guard as a Visiting Medical Student/Resident and that you are there to pick up your key/badge

3

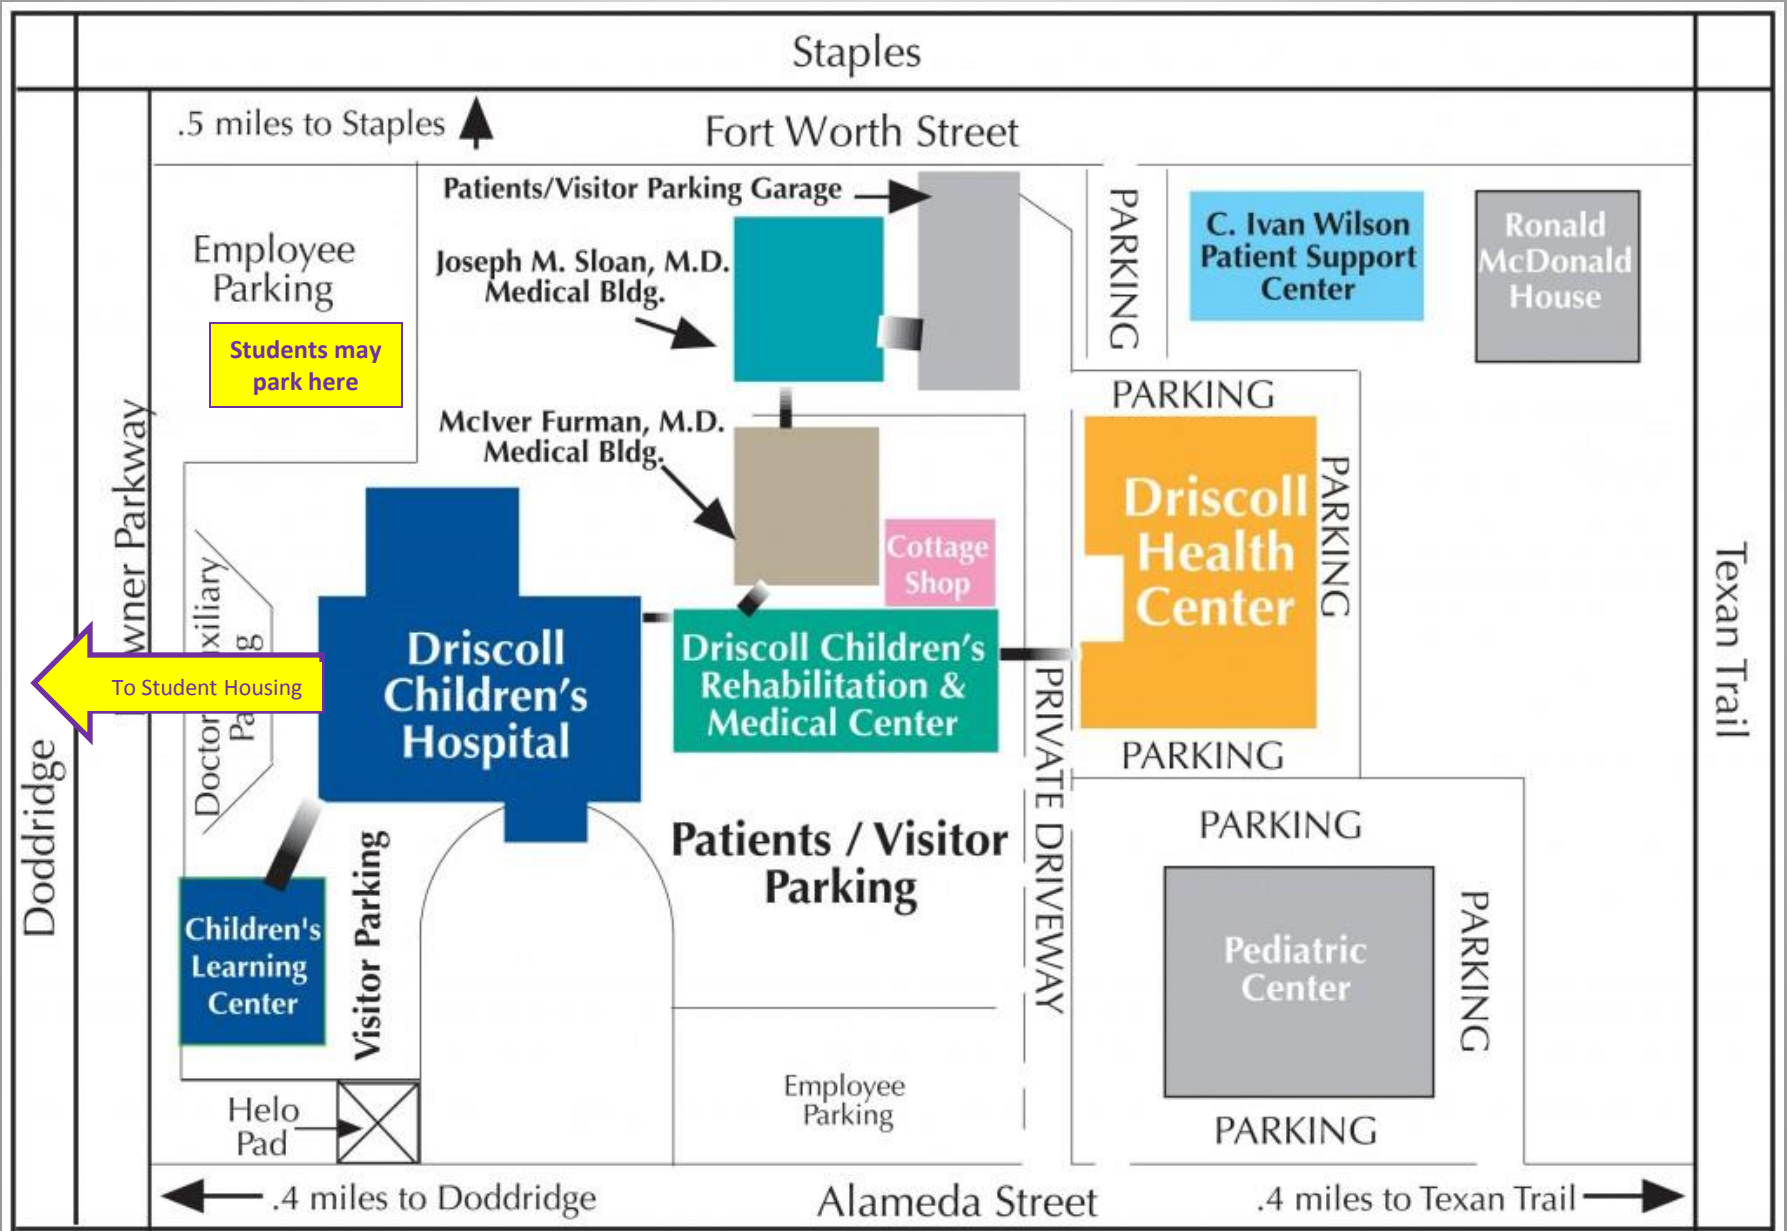

Elevator "B" to the 4th floor to the Resident Conference Room to attend Morning Report

- If you pick up your key and badge the night before orientation and are coming to Morning Report from student housing, you can enter from the side of the Hospital. Through the back fence of the Girls House. See the next few slides for more information
