

# UNTHSC Tuition and Fees

The information in this web site is provided to better assist students in assessing the cost of enrolling at the University of North Texas Health Science Center (UNTHSC). While this information is intended to be comprehensive, tuition and fees, are subject to increase or decrease by action of the Texas Legislature and/or the Board of Regents of UNT. Students are responsible for any additional amounts due UNTHSC resulting from post audits and corrections, including all fees and waivers; i.e. registration assessing errors, changing from off-campus to on-campus classes, invalid employment waivers, etc.

UNTHSC is a state-supported institution and, as such, is subject to state laws. Since state law prohibits the extension of credit, all financial obligations to the university must be made when due. The university cannot cash checks made payable to it and the student. Checks made payable to the university and the student can be applied to a student's account balance after obtaining the proper endorsement.
