The information in this web site is provided to better assist students in assessing the cost of enrolling at the University of North Texas Health Science Center (HSC). While this information is intended to be comprehensive, tuition and fees, are subject to increase or decrease by action of the Texas Legislature and/or the Board of Regents of University of North Texas. Students are responsible for any additional amounts due HSC resulting from post audits and corrections, including all fees and waivers; i.e. registration assessing errors, changing from off-campus to on-campus classes, invalid employment waivers, etc.
