Proposed ILOs

The Health Science Center is committed to producing lifelong learners by providing a values-driven environment where our graduates will:

1. Demonstrate breadth and depth of knowledge in a discipline.
2. Exhibit professional and ethical behavior.
3. Practice effective interpersonal communication and interprofessional collaboration.
4. Solve problems that require the integration of professional knowledge, skills, and behaviors.

Deleted: The Health Science Center is committed to providing a values-driven learning environment where our graduates will

Deleted: <#>Engage in lifelong learning.
